The 2018 Chair of the Biosafety and Biosecurity Action Package (APP3) and NTI | bio, with generous support from the Government of Canada and the Open Philanthropy Project, will host this event on the sidelines of the 5th Global Health Security Agenda (GHSA) Ministerial Meeting. While significant progress to mitigate biological threats has been made, biosecurity and biosafety have been under-represented as a political and financial priorities. Leveraging momentum built during the June 2018 NTI Global Biosecurity Dialogue, senior officials and experts are invited to **highlight and track new actions** toward improved global biosecurity and biosafety capacity as part of an effort to build political support and increase international investment and progress in this area.

The event will include:

- **Announcements of new actions.**
- Decisions on next steps toward successful **development and implementation of biosecurity and biosafety milestones.**
- Interactive new approach to enable broad audience participation and improve understanding of **barriers and solutions toward enhanced global biosecurity and biosafety capacity.**

Invited and Confirmed Speakers:

- **Mr. Robin Davies**, Indo-Pacific Centre for Health Security
- **Mr. Dirk Maurer**, U.S. Dept of Defense
- **Dr. Wilmot James**, Columbia University
- Representative from **Association of Southeast Asian Nations (TBC)**
- Representative from the **Southern African Development Community (TBC)**
- **Dr. Mukesh Chawla**, World Bank
- **Professor Mamadou Traoré**, National Institute of Public Health Research, Mali
- Representative from the **World Health Organization (TBC)**
- **Dr. Mark van Passel**, 2018 APP3 Chair
- **Dr. Beth Cameron**, Biological Policy and Programs, NTI
- Representative from the **Government of Canada (TBC)**
